Chairperson/Leader: Walter W. "Buck" Padilla
Information Only

The Conference Personnel Committee is responsible for recommendations related to all professional staff of the Connectional Ministries Leadership Team in regards to employment, job descriptions, evaluation, salaries, termination and housing. The committee serves as a reporting base for the personnel committees of the Council on Finance and Administration, and the North Indiana United Methodist Foundation. The committee shares pertinent information with the Bishop and the Cabinet (through the Director of Connectional Ministries) regarding appointments and compensation. In addition, the committee monitors the support staff of the Connectional Ministries to provide Equal Employment Opportunity.

During the conference year, the Conference Personnel Committee heard from and/or acted on: staff evaluations and salary recommendations from the Director of Connectional Ministries, Mark Gough; evaluations of the Conference Treasurer and NIC Foundation Executive Director; and a personal request from Mark concerning leave time for family adoption purposes. There was no change to the conference Personnel Handbook this year, and the committee is requesting \$500 in the 2009 budget for travel expenses.

What ministries are you planning in the new year that will "equip the local church" and/or provide a connection for ministry?

This Committee's ministry is to give oversight and accountability to the above mentioned Directors, so they may be more effective in their roles of equipping and providing for local church ministry.
